Electronic Vote on the March 24, 2009 INC Resolution
with regard to the
Jordan Lake Watershed
Thursday, March 26, 2009
(via DPNA ListServ)

INC Resolution:

“The Interneighborhood Council of Durham urges the Durham Board of County Commissioners and the Durham City Council to reject the developer-financed survey, and, if necessary, to conduct an impartial government-directed study of the Jordan Lake pool height, perhaps in collaboration with the several other units of government (e.g. Orange and Chatham counties) that also have regulatory responsibility for the watershed and that also protect the public interest.”
