# Pavilion Ideas Forum

## Purpose of the Forum

The City of Durham General Services and Parks & Recreation Departments is exploring the feasibility of deconstructing the existing bathhouse structure and replacing it with a new pavilion. They would like your ideas about the exterior and interior form of a new pavilion, the materials that might be used, and the uses a new pavilion structure could serve to enhance Duke Park.

## How can I share my ideas?

While attending the Pavilion Ideas Forum at the existing Duke Park shelter by the tennis courts, look for several boards with images representing a whole range of ideas. While viewing these boards place sticky dots to **vote for the images** that best convey your preferences. If you would like to **provide written comments** beside the image, write your comment on a sticky note and place it on the image sheet. Another way to **share your ideas** is to **complete the attached Duke Park Pavilion Questionnaire and Comment Form** and **return to the box** at the forum or send to:

Attn: Beth Timson  
City of Durham, Department of Parks and Recreation  
101 City Hall Plaza  
Durham, NC 27701

## What happens next?

Following the Pavilion Ideas Forum, the design team, City of Durham General Services and the Department of Parks and Recreation will compile and summarize your preferences and prepare a Feasibility Report. The Feasibility Report will include conceptual design drawings and a cost estimate describing the funding requirements for the project. The project will be included in next year's list of Capital Improvement Project requests and reviewed by City Council for possible inclusion in the 2015-16 budget.
